

# **FISCAL NOTE**

## **SB 2182 - HB 2394**

February 20, 2002

**SUMMARY OF BILL:** Specifies that violators of the proof of financial responsibility law are excluded from the provision requiring violators be taken into custody rather than given a citation if there is a reasonable likelihood the offense will continue or resume.

### **ESTIMATED FISCAL IMPACT:**

#### **Decrease Local Govt. Expenditures - Not Significant**

Estimate assumes local governments currently taking violators of the financial responsibility law into custody would experience a decrease in expenditures for the costs of arresting and booking such violators. This decrease is estimated to be not significant as it is assumed few individuals are arrested for this offense.
